Heather Pierson is a singer/ songwriter, pianist, song leader, and performer with a passion for cultivating joy, both onstage and off. With a toe in each of the realms of New Orleans jazz, blues, and folk, her multi-genre songwriting places her in a category all her own, one honed by decades of diligent practice and curious exploration. Whether solo, duo with her partner/ bassist, Shawn Nadeau, or with her trio, Heather's live performances feature her bell-tone vocals, ease at the piano, and are infused with happiness, honest self-reflection, and a genuine desire to connect and share from the heart. In over twenty years on her own record label, Vessel Recordings, she has released fifteen albums and several singles of original music, reflecting her life's work to share her love of music and her gratitude for life with others, one song, one heart, and one moment at a time.
