Heather Pierson is a New Hampshire based singer / songwriter, pianist, song leader, and performer with a passion for cultivating joy, both onstage and off. With a toe in each of the realms of New Orleans jazz, blues, and folk, her multi-genre songwriting places her in a category all her own, one honed by decades of diligent practice and curious exploration. Her trio, with Shawn Nadeau on bass/ vocals and Craig Bryan on percussion/ vocals, performs a rich variety of Heather's originals, jazz and blues standards, and unique re-workings of familiar classics. This trio's newest album, *Back To The Light*, is planned for a summer 2024 release.
